Dear Friend - Was glad to  
get your card. I am  
getting along fine out here  
and like the country real  
well. I suppose it is nice  
and warm there by now.  
We had snow yesterday  
and it was 6 degrees below  
zero last night.

Here is where I attend church and  
S.S. I teach a S.S. class.  
We will be in Mayfield  
before long for a while.

Georgia Cook.
